

SLOW-RELEASE INDUCTION KIT
a collection of resources that
induct higher degree research
students into their program and
research community

MAP for the PHD STUDENT

Throughout your PhD candidature you will traverse seas and lands where others have travelled before. This map alerts you to superior pathways and common pitfalls so that you can navigate your journey successfully, allowing you to embrace the sightings and discoveries that will make your PhD journey unique.

ISLE OF DATA COLLECTION

If you need to collect
data proceed to the

BERMUDA TRIANGLE

Some times an unexpected sandbar or shoal

may hinder progress and you may need to

buy time. Talk to your supervisor about
applying for an extension.
